Report on Student Satisfaction Survey 2022-23

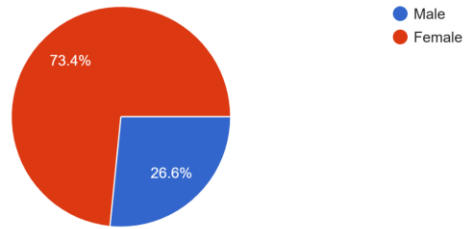

Under NAAC AQAR (2022-23), the Student Satisfaction Survey (SSS) was conducted among the students of the college through Google Forms. The questionnaire has been framed based on NAAC guidelines. The questionnaire is based on the 5-Point Likert type scale to give responses on a scale of 0-4, with the most positive response being rated as 4 and the most negative response being rated as 0.

In the Student Satisfaction Survey, twenty of the twenty-one questions are objective in nature, while one question is open-ended to produce observations and suggestions for improvements thereby providing an opportunity for the student to give suggestions and criticisms in their own words. The questionnaire consists of several features of the teaching-learning process. The result of this survey is based on the responses of **203 students**.
