Report of the Webinar:

A Webinar on gender sensitization: natural or social organized by Women's cell and IQAC of Shivaji Mahavidyalaya, Udgir 02.02.2021 at 11.00 a.m. The objective of the webinar was to develop a deeper understanding of the roles of women and men in society, increase the level of awareness on gender and development, and address gender-related issues in society, particularly in the national government sector. The Chairperson of the webinar was Dr. Jadhav. V. A., Principal Shivaji Mahavidyalaya, Udgir and chief guest & keynote speaker Prof. Shruti Tambe Prof. and Head, Department of Sociology Centre for Advanced Study, Director of Euroculture, Savitribai Phule Pune University, Pune.

Resource person Dr. Shruti Tambe discussed various issues regarding gender sensitization. She said that gender discrimination is purely social nature doesn't discriminate between genders. Society discriminates against women through tradition, customs and other means. The seeds of discrimination begin to grow right from the childhood stage, where the family and the close relatives differentiate boys and girls based on pre-existing norms with respect to the kind of opportunities as well as resources that are present with them. Awareness of Gender Discrimination, and its impact, is the main cause of this social evil. Boys are often encouraged to participate in physical activities, academics, outside work and so on, whereas girls are mostly prohibited from doing activities that involve running errands. She also said that gender discrimination is a big hurdle for the development of the nation. After the presentation, many participants asked their doubts and Dr. Shruti Tmabe cleared all the doubts of the participants. A total 97 participants participated in the webinar.
