About Prof. V. R. Dadge Library Foundation

Prof. V. R. Dadge Library Foundation at Latur is a prestigious organization founded in 2013 by prominent personalities in the field of Library and Information Science. This foundation was registered under the leadership of Prof. V. N. Mishra, College Librarian, Kumarswami Mahavidyalya, Ausa. He has also honored the chair as the founder president of the foundation. The primary objective of the foundation is to promote the profession of librarianship and organization of conferences and seminars to explore new trends in higher education in India.

One of the notable initiatives of the Foundation is the Best Librarian Award, instituted in memory of late Prof. V. R. Dadge for the College Librarians in the state of Maharashtra. This award recognizes significant contributions to the field of library, honors individuals who have demonstrated excellence and dedication for the profession. Through such initiatives, the Foundation strives to advance the standards of Library and Information Science and support consistent professional development among Librarians.

Call for Paper

We invite researchers, scholars and teachers from all faculties to submit their original research papers for the conference to be published in peer-reviewed journal. This is an excellent opportunity to contribute to the academic community and share your valuable findings at National level.

Theme: Higher Education, Research, Skill Enrichment and Knowledge Transfer in the Digital Era

About Shivaji Mahavidyalya, Udgir

Kisan Shikshan Prasarak Mandal was established in 1949 with the motto "Bahujan Hitay Bahujan Sukhay" (Welfare and Betterment of Masses). Among the significant institutions run by this Mandal is Shivaji Mahavidyalaya, Udgir, which was founded in 1968. This multi-faculty college, with a campus area of 3252 square meters, is now affiliated with S.R.T.M. University, Nanded. Initially it was affiliated with Marathwada University, Aurangabad. The college has received 2(f) & 12 (B) status from the U.G.C.

The Mandal also operates 20 other educational institutions, including schools and colleges in various rural areas, aligning with its objectives. Despite early challenges, particularly due to the economic, social, and educational backwardness of the region, the founding members, driven by their strong will and missionary zeal successfully overcame these obstacles and established the institution on a solid footing.

Sub-themes:

1. Advances in Higher education

Emerging Technologies in Education
Integrating Digital Literacy in Academic Curricula
Innovative Teaching and Learning Methods
NEP 2020
Accreditation and Assessment

2. Developments in research

Digital Research Methodologies
Training Researchers for the Digital Era
